# Item 4 - Advisory Business

Applied Finance Capital Management, LLC ("AFCM") is an investment adviser registered with the U.S. Securities and Exchange Commission ("SEC"). Individuals associated with AFCM provide advisory services on behalf of the firm. These individuals are appropriately licensed, qualified and authorized to provide advisory services on AFCM's behalf and are called Investment Adviser Representatives ("Representatives"). AFCM has been offering advisory services since June, 2015. All issued and outstanding Membership Interests in AFCM are owned by Rafael Resendes (50%) and Daniel Obrycki (50%). AFCM does not control any other firm. AFCM provides investment management, investment modeling and research services to Unified Management Accounts ("UMA's"), other investment advisers, trusts and other financial institutions. As of December 31, 2021, AFCM provided discretionary and non-discretionary investment management services to 25 clients, with a total of approximately \$832.4 million in assets.

# <u>Unified Management Account ("UMA")</u> and Non-Discretionary Asset Management Accounts ("NDMA")

AFCM provides portfolio modeling and research to UMA providers. Through the program, clients receive investment analysis, allocation recommendations, portfolio composition recommendations, rebalancing recommendations, and buy/sell recommendations. The UMA provider has complete discretion with respect to accepting or rejecting any of the recommendations made by AFCM, and AFCM has no discretion to directly manage any UMA client account.

AFCM provides portfolio modeling and research to NDMA clients. Through the program, clients receive investment analysis, portfolio composition and allocation instructions, rebalancing instructions, and buy/sell instructions. The NDMA client is responsible for executing such instructions and may reject any of the instructions made by AFCM.

# SMA Management

AFCM also provides direct account management to individual clients through SMA platforms and referring advisors. All such accounts are managed to one or more model portfolio strategies developed by, and proprietary to, AFCM. SMA accounts are generally managed on a discretionary basis.

# Item 5 - Fees and Compensation

Fees paid to AFCM are for AFCM advisory services only. The fees do not include, for example, the fees charged by third parties such as third-party managers, accountants and attorneys assisting with providing the client with accounting and legal advice. Commissions on transactions and other account fees will also be charged by brokerage firms in accordance with the account's brokerage firm's normal commission schedule. See Item 12, Brokerage Practices. Customary commissions on insurance are also not included.

AFCM does not have a fixed fee schedule. Investment advisory fees are negotiated on a caseby-case basis.

# Item 6 - Performance Based Fees and Side-by-Side Management

AFCM does not charge any performance-based fees.

# Item 7 - Types of Clients/Minimum Account Size

AFCM makes its advisory services available to broker/dealers, registered investment advisers, trusts, and other financial institutions. AFCM does not provide direct retail advisory services. **AFCM does manage retail funds allocated to it through advisory platforms** AFCM does not require a minimum account size.

# Item 8 - Methods of Analysis, Investment Strategies and Risk of Loss

AFCM's security analysis methods include, but are not limited to, fundamental analysis (evaluating securities based upon its historical and projected financial performance); and cyclical analysis (determining the desirability of an issue based upon the status of an issue within the price cycle the security or similar securities have followed historically) All securities analysis methods and strategies, even those used by AFCM may involve a high degree of risk and losses can occur.

AFCM does not rely in any meaningful manner on information provided by any broker dealer. AFCM develops its research by utilizing published financial information provided by companies for public consumption. In addition, AFCM utilizes assorted non broker dealer research services, the most prominent of which is The Applied Finance Group ("AFG"). AFG is owned by Rafael Resendes and Daniel Obrycki, both of whom are principals of AFCM.

AFCM incorporates The Economic Margin Framework, developed by AFG, as a tool to analyze thousands of companies every day on a consistent basis. The Economic Margin Framework is more than just a performance metric, as it encompasses a valuation system that explicitly addresses the four main value drivers of enterprise value: profitability, competition, growth, and cost of capital. Unlike traditional valuation approaches that utilize highly sensitive perpetuity assumptions, this approach incorporates the widely accepted economic principle that competition will compete away excess returns over time. The EM Framework explicitly models the effects of competition to gradually eliminate the excess spread a firm generates above or below its cost of capital.

AFCM does not guarantee the results of the advice given. Thus, losses can occur by investing in any security, or by following any strategy, including those recommended or applied by AFCM.

# Item 9 - Disciplinary Information

AFCM does not have any disciplinary information to report regarding itself or any of its Representatives or other related persons.

# Item 10 - Other Financial Industry Activities and Affiliations

Certain persons associated with AFCM, including its Representatives, may be registered as securities representatives of First Dominion Capital Corp. ("FDCC"), a licensed, limited-service securities broker/dealer. FDCC is a member of the Financial Industry Regulatory Authority ("FINRA"). FDCC serves as the Principal underwriter to various mutual funds.

Mr. Rafael Resendes and Mr. Daniel Obrycki own The Applied Finance Group, Ltd ("AFG"), a research firm. AFG, in turn, owns 75% of Applied Finance Advisors, LLC (formerly "Toreador Research & Trading, LLC") ("AFA"), an SEC registered investment advisory firm that is the investment manager to a family of U.S. open-end mutual funds. Accordingly, Mr. Resendes and Mr. Obrycki are affiliated persons of AFA. Further, AFA engages AFCM to provide research and portfolio management assistance.

Rafael Resendes is a co-founder and executive of AFG, AFA and AFCM. AFG is an investment consulting firm that provides financial analyses, equity research, and valuation services to financial institutions. AFG provides research and operational support services to AFCM, and AFCM pays AFG for these services. In order to avoid conflicts of interest or potential misuse of information, AFCM has implemented policies and procedures to restrict access to certain types of information until generally published, and requires outside compliance involvement to oversee and pre-approve certain types of transactions where conflicts may arise.

Mr. Resendes is also a portfolio manager for AFA. Portfolio managers may carry on investment activities for their own account(s) and/or the accounts of immediate family members; as a result, each portfolio manager may engage in activities other than on behalf of the Funds or AFCM clients. Conflicts may arise as a result of the portfolio manager's differing economic interests in respect of such activities, such as with respect to allocating investment opportunities. Pursuant to the Code of Ethics adopted by each of the Funds, AFA and AFCM, the portfolio managers are prohibited from effecting certain transactions for their personal accounts unless such transactions receive the prior written consent of the Chief Compliance Officer, who is independent of AFA and AFCM, or such transactions are specifically exempted from pre-clearance in the Code of Ethics.

# *Item 11 - Code of Ethics, Participation or Interest in Client Transactions and Personal Trading*

Representatives of AFCM may buy or sell securities for themselves that they also recommend to clients. Where a transaction for a Representative, or an account related to the Representative, is contemplated, a client's transaction is given priority. AFCM has developed a Code of Ethics applicable to all persons who have access to confidential client records or to recommendations being made for client accounts. Designed to prevent conflicts of interest between the financial interests of clients and the interests of the firm's staff, the Code requires such "access persons: to obtain pre-approval of certain securities transactions, to report transactions quarterly and to report all securities positions in which they have a beneficial interest at least annually. These reporting requirements allow supervisors at the firm to determine whether to allow or prohibit certain employee securities for clients' accounts. The Code also establishes certain bookkeeping requirements relating to federal reporting rules. The Code is required to be reviewed annually and updated as necessary. A complete copy of the firm's Code is available upon request.

# Item 12 - Brokerage Practices

Other than as described above with FDCC, AFCM has no affiliations with any broker/dealer. FDCC does not place or execute securities transactions.

AFCM has no "soft dollar" or other direct or indirect compensation arrangement with any broker/dealer.

AFCM does not process transactions through broker/dealers in return for broker/dealers referring new clients to AFCM.

# Item 13 - Review of Accounts and Reports

Clients receiving services from AFCM receive reports as determined in advance between the client and AFCM.

# Item 14 - Client Referrals and Other Compensation

AFCM does not currently have any client referral relationships. Thus, it does not pay any fee to a third party for making client referrals to it. Also, as indicated above, the firm does not direct brokerage transactions to any third party, including Service Providers, in return for client referrals.

# Item 15 - Custody

AFCM does not take custody of client funds or securities. These safekeeping services are typically provided to managed accounts only by the brokerage firm processing the securities transactions ordered by AFCM.

To the extent a client receives any account or other investment ownership statement from AFCM recommends the client carefully compare the information in the report to that in the custodian's statements.

# Item 16 - Investment Discretion

AFCM does not execute securities transactions for its UMA clients. AFCM does execute securities transactions for its SMA clients.

# Item 17 - Voting Client Securities

AFCM will vote proxies on behalf of its clients, if requested. AFCM also takes action on legal notices it or a client may receive from issuers of securities held in a client's managed account, if requested.

# Item 18 - Financial Information

AFCM does not require or solicit fees of more than \$1,200 six months or more in advance, thus no financial statement for AFCM is attached. AFCM does not have any financial condition that is reasonably likely to impair its ability to meet its contracted commitment to any clients.

#### SECTION 2.A.(9) Investment Adviser Expecting to be Eligible for Commission Registration within 120 Days

If you are relying on rule 203A-2(c), the exemption from the prohibition on registration available to an adviser that expects to be eligible for SEC registration within 120 days, you are required to make certain representations about your eligibility for SEC registration. By checking the appropriate boxes, you will be deemed to have made the required representations. You must make both of these representations:

□ I am not registered or required to be registered with the SEC or a *state securities authority* and I have a reasonable expectation that I will be eligible to register with the SEC within 120 days after the date my registration with the SEC becomes effective.

□ I undertake to withdraw from SEC registration if, on the 120th day after my registration with the SEC becomes effective, I would be prohibited by Section 203A(a) of the Advisers Act from registering with the SEC.

#### SECTION 2.A.(10) Multi-State Adviser

If you are relying on rule 203A-2(d), the multi-state adviser exemption from the prohibition on registration, you are required to make certain representations about your eligibility for SEC registration. By checking the appropriate boxes, you will be deemed to have made the required representations.

If you are applying for registration as an investment adviser with the SEC, you must make both of these representations:

- □ I have reviewed the applicable state and federal laws and have concluded that I am required by the laws of 15 or more states to register as an investment adviser with the *state securities authorities* in those states.
- □ I undertake to withdraw from SEC registration if I file an amendment to this registration indicating that I would be required by the laws of fewer than 15 states to register as an investment adviser with the *state securities authorities* of those states.

If you are submitting your annual updating amendment, you must make this representation:

Within 90 days prior to the date of filing this amendment, I have reviewed the applicable state and federal laws and have concluded that I am required by the laws of at least 15 states to register as an investment adviser with the *state securities authorities* in those states.

End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment*. Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

#### Item 11 Disclosure Information

In this Item, we ask for information about your disciplinary history and the disciplinary history of all your *advisory affiliates*. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below. In accordance with General Instruction 5 to Form ADV, "you" and "your" include the *filing adviser* and all *relying advisers* under an *umbrella registration*.

Your *advisory affiliates* are: (1) all of your current *employees* (other than *employees* performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any *person* performing similar functions); and (3) all *persons* directly or indirectly *controlling* you or *controlled* by you. If you are a "separately identifiable department or division" (SID) of a bank, see the Glossary of Terms to determine who your *advisory affiliates* are.

If you are registered or registering with the SEC or if you are an exempt reporting adviser, you may limit your disclosure of any event listed in Item 11 to ten years following the date of the event. If you are registered or registering with a state, you must respond to the questions as posed; you may, therefore, limit your disclosure to ten years following the date of an event only in responding to Items 11.A.(1), 11.A.(2), 11.B.(1), 11.B.(2), 11.D.(4), and 11.H.(1)(a). For purposes of calculating this ten-year period, the date of an event is the date the final order, judgment, or decree was entered, or the date any rights of appeal from preliminary orders, judgments, or decrees lapsed.

You must complete the appropriate Disclosure Reporting Page ("DRP") for "yes" answers to the questions in this Item 11.

#### **Item 12 Small Businesses**

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.
